

HERWE FUSS-SPRAY

Refreshing spray for protection to prevent foot odor and athlete's foot

Description:	HERWE FUSS-SPRAY is a refreshing spray to protect against foot sweat and supports prevention of athlete's foot.
Composition (INCI):	AQUA, ALCOHOL DENAT., GLYCERIN, BETAINE, SODIUM CAPROYL/LAUROYL LACTYLATE, SODIUM CITRATE, CAPRYLYL/CAPRYL WHEAT BRAN/STRAW GLYCOSIDES, MENTHA ARVENSIS LEAF OIL, ROSMARINUS OFFICINALIS (ROSEMARY) LEAF OIL, FUSEL WHEAT BRAN/STRAW GLYCOSIDES, GLYCERYL CAPRYLATE, POLYGLYCERYL-5-OLEATE, SODIUM COCOYL GLUTAMATE, SODIUM LACTATE, D-LIMONENE, LINALOOL
Properties:	HERWE-FUSS-SPRAY has been especially developed for use in footwear and boots for refreshing, preventing foot odor and helping to prevent athlete's foot. A highly active combination effectively prevents athlete's foot and foot odor. Refreshes and deodorizes with natural mint and rosemary oil and nourishes with effective moisturizers. Without synthetic fragrances and preservatives.
Fields of application:	HERWE FUSS-SPRAY is used in all work that can lead to foot sweat and athlete's foot through closed or steam-impermeable footwear.
Use:	Shake before use. Spray feet evenly 1-2 times daily HERWE FUSS-SPRAY. The footwear can be sprayed as well for prevention of athlete's foot. Check material compatibility. Do not spray in the eyes, on injured skin or against flames. Keep away from children.
Regulatory framework:	HERWE FUSS-SPRAY is subject to the EU Cosmetics Regulations and corresponds to it in its current version. The product requires no hazard labelling. For further information, please refer to the corresponding group data sheet.
Storage and shelf life:	HERWE FUSS-SPRAY can be kept for 30 months at room temperature (from date of manufacture). The expiry date is denoted on the packaging.
Packaging sizes:	100 ml spray bottle
Disposal:	The cardboard boxes, tubes and plastic packaging are recyclable.
