

HERWEFOAM FRESH

Skin Cleansing Foam without scrubbing agents

Description:	HERWEFOAM FRESH is a rich, creamy and easy spreading skin cleansing foam without scrubbing agents with a pleasant light fragrance.
Ingredients (INCI):	AQUA (WATER), COCAMIDOPROPYL BETAINE, GLYCERIN, DISODIUM LAURETH SULFOSUCCINATE, SODIUM LAURETH SULFATE, PEG-120 METHYL GLUCOSE DIOLEATE, DICAPRYLYL ETHER, LAURYL ALCOHOL, PARFUM (FRAGRANCE), PHENOXYETHANOL, BENZOIC ACID, DEHYDROACETIC ACID, CI 47005, CI 16185
Properties:	HERWEFOAM FRESH is a slightly orange colored skin cleansing foam with moisturizing agents and skin care lipids and contains mild surfactants. Therefore, HERWEFOAM FRESH is suitable for hands, skin and face and gently cleanses light dirt. HERWEFOAM FRESH is pH-neutral and suitable for all skin types, the skin compatibility has been dermatologically tested. HERWEFOAM FRESH is paraben-free and free of microplastic beads. The concentrate is dispensed by a foam pump and, therefore, is very economical to use and resource friendly. A 1 L bottle will provide about 2500 foam applications.
Area of use:	HERWEFOAM FRESH is a special skin cleansing foam that is ideal for daily, hygienic cleaning and is well suited for frequent use. HERWEFOAM FRESH can be used in many work areas, e.g. in the washroom, office, administration, hospital, nursing home, senior living, etc.
Application:	Add a reasonable amount of HERWEFOAM FRESH to the dry or slightly moistened skin, spread and lather. The rich and creamy foam can be rinsed quickly with water.
Regulatory:	HERWEFOAM FRESH is subject to the FDA and EU Cosmetics Regulation and complies with it in its current version. Labelling in accordance with the Hazardous Substances Ordinance is no longer required.
Storage and shelf life:	HERWEFOAM FRESH can be used in closed containers at room temperature for 30 months (from the date of manufacture). The respective shelf life date is indicated on the packaging.
Packaging sizes:	50 ml spray bottle, 1000 ml VIVA dispenser cartridge
Recycling:	The cartons and plastic packaging can be recycled.
