

HERWE QUREA CARE

Cream gel for skin care with urea, Q10 and hyaluronic acid

Description:	HERWE QUREA CARE is a high quality, slightly yellowish and well absorbed creme with urea, coenzyme Q10, hyaluronic acid and valuable cosmetic oils. Silicone-free.
Ingredients (INCI):	AQUA, UREA, ETHYLHEXYL STEARATE, STEARYL ALCOHOL, PENTA-ERYTHRITYL DISTEARATE, BUTYROSPERMUM PARKII (SHEA) BUTTER, ACRYLATES / C10-30 ALKYL ACRYLATE CROSSPOLYMER, DICAPRYLYL CARBONATE, LACTIC ACID, PHENYLPROPANOL, CAPRYLIC/CAPRIC TRIGLYCERIDE, SODIUM STEAROYL GLUTAMATE, TOCOPHERYL ACETATE, UBIQUINONE, SODIUM HYALURONATE, TRIACETIN, PARFUM (FRAGRANCE), TOCOPHEROL, PHENOXYETHANOL, SODIUM HYDROXIDE, PROPANEDIOL, CAPRYLYL GLYCOL, GLYCINE SOJA (SOYBEAN) OIL
Properties:	HERWE QUREA CARE is a fast-absorbing skin care cream for hands and face. High quality moisture retention complex made of urea, lactic acid and hyaluronic acid and valuable cosmetic lipids such as shea butter help keeping the skin soft and supple, without leaving a "greasy" feeling. In combination with antioxidative substances (coenzyme Q10 and vitamin E acetate), HERWE QUREA CARE protects against skin drying out and various environmental influences.
Area of use:	HERWE QUREA CARE was developed for the care of skin under both professional and environmental stress and is mainly used to regenerate the skin after work or during the breaks and is especially recommended for dry, rough and chapped skin. HERWE QUREA CARE is suited for use on hands and face.
Application:	Apply a suitable amount of skin care cream on the back of the hands and distribute it carefully. Also, treat the palms and do not forget to rub it between the fingers. Important areas to cover are the nail beds, fingernails, fingertips and your wrists.
Regulatory:	HERWE QUREA CARE is subject to the FDA and EU Cosmetics Regulation and corresponds to it in the currently valid version. Labeling in accordance with legislation on hazardous substances is not required.
Storage and shelf life:	HERWE QUREA CARE is stable in closed containers at room temperature for 30 months (from the date of manufacture). The expiry date is indicated on the packaging.
Packaging sizes:	100 ml tube, 1000ml pouch bottle, 1000 ml VIVA bottle
Recycling:	The cardboard and plastic packaging can be added to the local recycling.
