

# HERWESAN UV 50+ LOTION

Highly effective spray emulsion to protect the skin from UV radiation

<b>Description:</b>	HERWESAN UV 50+ LOTION is a white, well absorbed, waterproof sun protection spray emulsion with a highly effective broadband radiation filter. Silicone-free. Sun protection factor 50+ (International SPF Test Method, Colipa). Very high protection.
<b>Ingredients (INCI):</b>	AQUA, C12-15 ALKYL BENZOATE, BUTYL METHOXYDIBENZOYLMETHANE, GLYCERIN, ETHYLHEXYL SALICYLATE, OCTOCRYLENE, ETHYLHEXYL TRIAZONE, DIETHYLHEXYL BUTAMIDO TRIAZONE, MICROCRYSTALLINE CELLULOSE, PHENOXYETHANOL, SODIUM STEAROYL GLUTAMATE, BENZYL ALCOHOL, PHENYLBEZIMIDAZOLE SULFONIC ACID, PARFUM, CELLULOSE GUM, CETEARYL ALCOHOL, GLYCERYL STEARATE, TOCOPHERYL ACETATE, SODIUM HYDROXIDE, DECYLENE GLYCOL, PIROCTONE OLAMINE, XANTHAN GUM
<b>Properties:</b>	The HERWESAN UV 50+ LOTION spray bottle can be used upside down and therefore applied comfortably also onto skin areas, which are hard to reach. It provides a comfortable and not greasy feel on the skin and spreads exceptionally well. This means that it can also be used on hairy parts of the body without any problems. HERWESAN UV 50+ LOTION contains a highly effective complex of organic UV-filters and protects the skin efficiently from harmful UV-rays. (UVA-protection in accordance with EU recommendations). Glycerin and Vitamin E provide a moisturizing and skin conditioning effect.
<b>Area of use:</b>	HERWESAN UV 50+ LOTION specially designed for all persons who are exposed to strong sun radiation in the course of their work, e.g. in agriculture, horticulture, forestry, building industry and shipping. HERWESAN UV 50 SPRAY also can be used for all outdoor activities in the fields of sports and leisure.
<b>Application:</b>	HERWESAN UV 50+ LOTION is generously sprayed on clean, dry skin before UV exposure and distributed with the hands. Avoid contact with textiles. Staining is possible. Low rates of application reduce the protective effect. Reapply to maintain UV protection – especially when sweating or after drying. Stay out of the midday sun and avoid extensive sun exposure.
<b>Regulatory:</b>	HERWESAN UV 50+ LOTION is subject to the FDA and EU Cosmetics Regulation and corresponds to the currently valid version. Labeling in accordance with the Ordinance on Hazardous Substances is not required.
<b>Storage and shelf life:</b>	HERWESAN UV 50+ LOTION can be stored at room temperature for 12 months after opening.
<b>Packaging sizes:</b>	200 ml spray bottle
<b>Recycling:</b>	The cardboard boxes and plastic packaging can be recycled.
