## OUR MISSION

Improve skin health in the workplace through best-in-class products

## VALUE PROPOSITION TO END USER

1. Improve employee skin health
2. Reduce risk to the organization
3. Reduce environmental impact
4. Save money

### Facts

- Occupational skin disorders are the most common type of workplace illness, with estimated costs, including time away from work, reduced productivity and workers' compensation claims, exceeding \$1 billion a year in the US.

(Source: US Center for Disease Control)

- The average cost to an employer for a case of dermatitis is \$23,780 (Source: [www.osha.gov/dcsp/smallbusiness/safetypays/estimator.html](http://www.osha.gov/dcsp/smallbusiness/safetypays/estimator.html))

**Metal worker with severe OCD (Occupational Contact Dermatitis)**

**Irritant Contact Dermatitis (with typical inflammation)**

Machine Shop Workers

Chemical Workers

Outdoor Workers

Workers at Risk of Infections

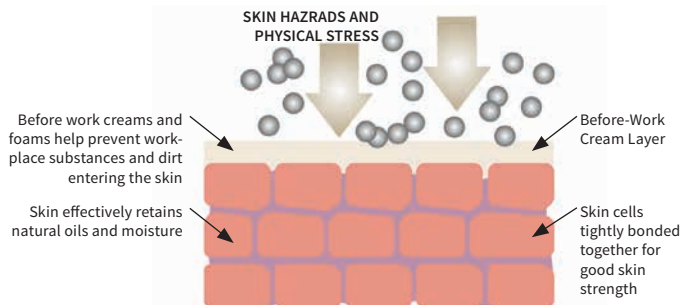

Fiberglass Workers

# BEFORE WORK SKIN PROTECTION

## Benefits of Before Work Creams

- Reduces direct skin contact with the work hazards
- Provides a barrier from harmful chemicals to diffuse through the skin into the body
- Make hands easier to clean
- Improves grip when not wearing gloves
- Improves skin comfort when wearing gloves

## HERWESAN ALL-IN-ONE

Universal before | work skin protection

- Universal pre-work cream
- to help protect against water soluble and insoluble hazards
- With innovative film forming system
- Improves grip after absorption
- Fingerprint-free and silicone-free
- Can be used under gloves

Water | oil-based hazards  
**CREAM**

### Where to use:

- When working with alternating hazards
- Can also be applied to protect skin underneath gloves.

SKU#	CASE QTY	SIZE
10235	20 TUBES	100 ml
11016	4 CARTRIDGES	1000 ml
FITS ANY MANUAL OR TOUCHLESS VIVA DISPENSER		

## HERWEFOAM ALL-IN-ONE

Universal before | work skin protection

- Universal pre-work foam to help protect against water soluble and insoluble hazards
- With innovative film forming system
- Improves grip after absorption
- Fingerprint-free and silicone-free
- Can be used under gloves

Water | oil-based hazards  
**PATENTED FOAM**

### Where to use:

- When working with alternating hazards
- Can also be applied to protect skin underneath gloves

SKU#	CASE QTY	SIZE
